

MTC 1 to NTC 2

CRO

From MTC 1 go via the route indicated on the map below by a blue line

This is the easiest way to travel through Otley

Then go via S 167½ 553 W

To find NTC 2 at 134½ 552½

NTC 2 to IRTC 3

CAR

Follow the map named "SECTION 1: BROW HOPPER". IRTC 3 will be found on the correct route

IRTC 3 to MTC 4

CAR

At IRTC 3 you will be issued with a handout providing you with all of the information required to plot the first half of the route.

From IRTC 3 at 125½ 550 proceed to PC B at 097 543¼.

Please stop at PC B, which is in a large layby just off the A 59 where you will have an hour to plot the route. Do not leave more than five minutes

before your due time at MTC 4, it is a very short run there and there is limited space. Please take note of the Approach and Depart directions of MTC 4

MTC 4 is at **SW** 092 538 **NE**

Please also plot the following:

Black Spots (100m Radius)

104

230½ 481½ 203 578

Quiets

104

200m Radius: 082 543 223¾ 490½

100m Radius: 163¾ 593 190½ 543

98

100m Radius: 021¾ 792¾ (Also caution, sudden 90R with garage on outside)

200m Radius: 034 800¼

99

300m Radius: 190 782

All neutrals are also designated quiet zones, ample time is provided to traverse these sections so there is no need to rush.

The RLO has granted permission to treat all Give Ways in quiet zones as per the highway code.
