## ILKLEY AND DISTRICT MOTOR CLUB LIMITED

**Club Headquarters:**

**OTLEY RUFC, CROSS GREEN, POOL ROAD, OTLEY LS21 1HE  
(M/R 104/207457)**

Founded in 1910, Ilkley & District Motor Club is one of the oldest, foremost and most active Motor Clubs in the country. The governing body for Motor Sport in Great Britain, the MSA, awarded it the honour of being the number one club in the country in 1995 and 1999, and the number one regional club in 2000. The club is always ready to welcome new members, be they active motor sport competitors or not.

The club organises and has competitors in both 2 and 4 - wheel sporting activities.

On two wheels, there are three classic motor cycle events organised each year. Their history goes back more than 60 years and are still very popular today, attracting entries in excess of 100.

On four wheels, competitive events are held throughout the year, both on monthly club nights and many weekends. These can be in the form of navigational tests on public roads, economy runs, autotests and production car trials. Some of the events are open to members of other clubs and invitations are received from them to compete in their events. There are three regional championships in which members represent the club in a variety of motorsporting activities. Ordinary cars can be used on most events in which the club is involved.

Visits are organised to places of interest like competition parts and sports car manufacturers or works rally teams, motor museums and even breweries.

The club meets each Wednesday for some form of activity.

The first Wednesday in the month is the main Committee Meeting held at the Headquarters. All members can have their say and are encouraged to attend.

On the second Wednesday, an alternative venue is chosen for a 'Noggin and Natter' The third Wednesday is usually the night when some form of competition takes place, either out in cars, or quizzes and games nights at the club house.

The fourth Wednesday is Car Competitions Committee night, when everyone is welcome to attend. Reports on past events are given by those who were involved. Detailed plans for forthcoming events are formulated at this meeting. The club Newsletter is also distributed.

The monthly Newsletter contains details of forthcoming events as well as reports from members on past events, and general news.

**Applications for membership are dealt with monthly at the main Committee meeting. Members joining from October will become members for the whole of the following year. Membership renewal occurs annually on 1st January.**
